CHARACTER TRAIT OF THE WEEK

Responsibility

This means that I am...
 ...organised,
 hardworking, reliable,
 self-disciplined, self-
 regulating and
 independent.

Which means that I can...
 ...organise home learning,
 meet deadlines and attend
 catch-ups.

AJK ASSESSMENT WEEK

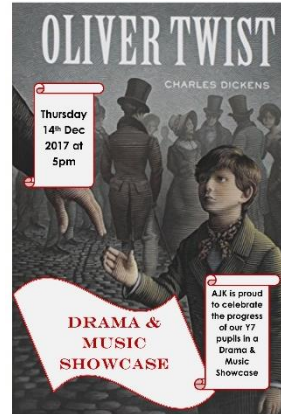

It is the start of our first assessment round of the academic year. This is an opportunity for pupils to demonstrate the progress that they have made in their subjects since September. It is important that pupils try their best in every assessment so that the feedback that they receive can help them to get even better. They must continue revising to prepare for assessments, but they must also make sure that they are helping themselves by eating well, getting enough sleep and checking that they have all the right equipment. We wish them well!
