

ARK JOHN KEATS ACADEMY

WEEKLY EMAIL FOR PARENTS

CHARACTER TRAIT OF THE WEEK

Courage

This means that I am...
...optimistic, brave and confident.

Which means that I can...
...lead, experiment, take risks, role-model and try new things.

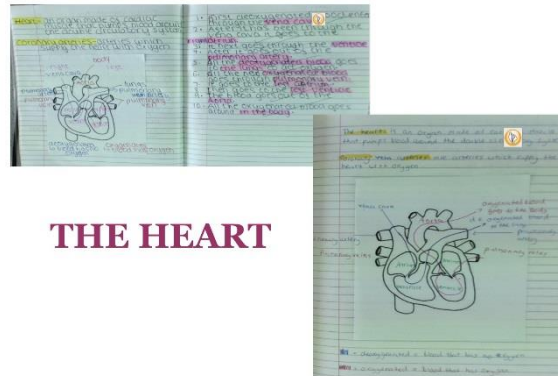

At AJK, we aim to ensure that pupils can think about the long term benefits of putting in great effort each day. One element of this is our Raising Aspirations programme. As part of the Year 10's raising aspirations enrichment, pupils had the opportunity to ask three professionals who worked in finance, education and recruitment questions about how to write a CV. Pupils received lots of good advice and had a better understanding of why they were working so hard now. We look forward to our Raising Aspirations discussions in Academic Review Day meetings with parents as this continued focus on the long term aspirations will support our pupils to make the most of the opportunities they have here at AJK.

WONDERFUL WORK – COMPUTING AND SCIENCE
