	<p>Honesty</p>	<p>This means that I am... ... humble and open.</p>	<p>Which means that I can... ...show integrity, be true to myself, give my opinion, tell the truth, admit it when I have made a mistake.</p>

AJK SIX PILLARS

AJK is built on the following six pillars: a mastery curriculum, high quality teaching, strong discipline, character development, raising aspirations and enrichment, and developing educational leaders. This week, pupils took part in the first Pillar Day of the year. They had a wonderful range of opportunities and experiences, from watching a show in London's West End, to coding, to cooking, to working with a professional director. These days are what help to develop pupils even further – we look forward to hearing their reflections on the day and the impact that it had on them.
