CHARACTER TRAIT OF THE WEEK

Adaptability

This means that I am...
...reasoning and flexible.

Which means that I can...
...transfer skills, problem solve, make connections, recycle, imitate, remember, use all the resources available and work with different people and in groups.

WELCOME BACK!

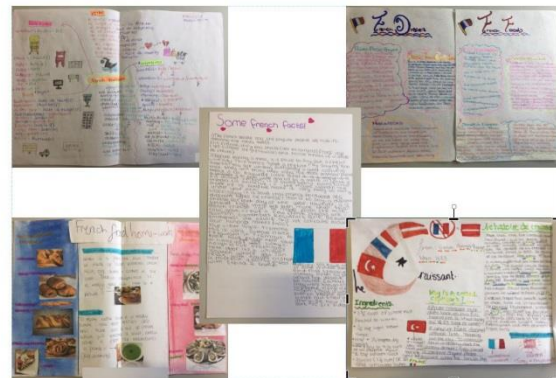

It has been an excellent start to the new academic year. We have welcomed our new Year 7 pupils, and they are on the start of their journey to making excellent progress and developing their character. Pupils in Years 8 and 9 are ready to put in place the actions that they set in their academic review day meetings. The Year 10 pupils have begun their GCSE courses and have a new set of rewards to work towards to develop their key learning dispositions. We look forward to seeing the great effort pupils will put into their lessons this term.
