

ARK JOHN KEATS ACADEMY

WEEKLY EMAIL FOR PARENTS

CHARACTER TRAIT OF THE WEEK

Empathy

This means that I am...
...tolerant, emotionally intelligent, sociable and understanding.

Which means that I can...
...listen, collaborate, communicate and learn from others.

THANK YOU

We have come a long way as a school since our very first open evening which took place in the Secondary dining hall (and without any classrooms or pupil work to see!). It was wonderful to see prospective parents and their children come through the school gates in their hundreds to listen to Mr Collins and Ms Witherford speak about the fantastic opportunities that their children would have as Ark John Keats pupils. Parents were incredibly impressed with what they saw in classrooms, too. One parent said that they felt like they were watching a professional performance in the Drama studio. Another commented on how fantastic their tour guide had been: 'So friendly and informative!' A huge thank you to all pupils and teachers that helped to make the open evening such a success.
