

Catch Up Funding

Our Catch-up Funding was £17,000 last academic year. We will therefore plan for £16,500 as in previous years. We will use this as set out below.

Activity	Cost	Purpose	Expected outcomes	Evaluation
Fresh Start	£1438	To ensure that all pupils are able to decode and to accelerate the progress of those pupils who have not learnt to read to the requisite standard needed to access the curriculum. To accelerate the English Language skills of EAL pupils.	<ul style="list-style-type: none"> All pupils (that have been with us in Y7) will be able to decode All EAL pupils will have a detailed understanding of phonics in English EAL and catch-up pupils are able to access a full curriculum by the time they are in Y8 	
Diagnostic Screening and ongoing testing	£1000	To ensure that we have a detailed understanding of the particular strengths and development points for catch-up pupils. Therefore ensuring that they are grouped appropriately and put onto the correct curriculum pathway.	<ul style="list-style-type: none"> Pupils are grouped appropriately to get the support that they need Pupils are put onto the correct curriculum pathway, which enables them to make rapid and sustained progress Teachers have diagnostic information which informs their teaching and supports them to meet the needs of catch-up pupils Reading progress is measured in a meaningful and standardised way. Online reading testing introduced. 	
Reading comprehension programme	£1500	To ensure there is provision for pupils who complete the Fresh Start Modules to develop their reading comprehension to age expectations.	<ul style="list-style-type: none"> Pupils can read confidently and fluently at an age related standard or above. Pupils can use reading skills and text comprehension to understand new vocabulary. 	
Library & Reading for Pleasure books	£2000	Ensure that there are appropriate reading materials and a quiet reading space for catch-up and EAL pupils. Provide dual-language books, dictionaries and age appropriate, low reading age books.	<ul style="list-style-type: none"> Pupils practise reading EAL pupils continue to develop their cognitive abilities and reading in their home language Pupils learn to use a dictionary and become more independent 	

			<ul style="list-style-type: none"> • Pupils can get extra reading support 	
Training for staff	£3000	Teacher expertise in supporting catch up pupils is developed. This fund will be used for Fresh Start training as well as other individual or group CPD that is pertinent to the needs of these pupils.	<ul style="list-style-type: none"> • Teachers design a curriculum and deliver lessons that meet the needs of catch-up pupils • Teachers are knowledgeable about the range of strategies and programmes available to support catch-up pupils • Catch up pupils make rapid and sustained progress 	
Maths Intervention	£2205	Wave 2 intervention programmes are used to ensure that no pupils fall behind	<ul style="list-style-type: none"> • Catch up pupils narrow the gap • Pupils improve their basic numeracy skills as a basis for all other mathematics work 	
Numeracy Across the Curriculum	£500	Provide pupils with numeracy skills and reference points to use numeracy effectively in their everyday lives as well as in their learning.	<ul style="list-style-type: none"> • Pupils develop a practical understanding of basic numeracy • Pupils have numerical reference points that enable them to complete everyday tasks more effectively such as: organising time, estimating quantities, budgeting 	
Maths Groupings	£2000	Ensure that the pupils with the lowest entry levels for maths are taught in smaller groups.	<ul style="list-style-type: none"> • Pupils make rapid progress • Teachers are able to provide intensive and tailored support to all learners 	
Maths Mastery	£3000	To solidify pupil understanding of the basics within mathematics. This mastery curriculum ensures that pupils build their learning up through a three year cumulative approach to maths.	<ul style="list-style-type: none"> • Pupils with less level 3 and below at KS2 make rapid progress • Pupils develop their basic numeracy skills as a basis for other mathematics work 	
Total	£16643
