OFSTED Parent View 2017

Our parents are overwhelmingly happy with the school. No single question received less than 90% positive feedback with the majority of questions receiving over 95% agree or strongly agree. Of the 337 responses, 70% (236) replied positively to every question and 21% (71 parents) responded strongly agree to at least 13 of the 14 value judgement questions. Parents praised the combination of discipline, academic rigour and character development in the development of their child with comments such as "Parents greatly appreciate all the planning and hard work done by staff which is producing excellence in our children" (Y2 parent) and "Amazing school and all involved should feel proud" (Y9 parent).
