

Library visits

Our visits to the Library at the Ordnance Unity Centre have started again for this term. We are so lucky to be able to visit the library regularly with all our Reception and KS1 pupils. All pupils from Reception to Year 2 visit the library each term. During the visit a member of the library staff will sometimes read them a story, where after pupils will then have the opportunity to choose their own book to take back to school and read during our independent reading sessions. Anyone can join the library for free, so please do become a member if you can so that you can borrow books for yourself and your family. Reading with your child is hugely beneficial to their development in their vocabulary, reading and curiosity in learning new things.

Support Request to all Parents

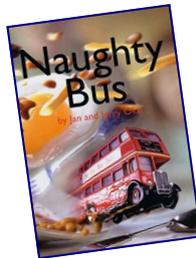

Many of our parents have been incredibly generous with their time and assisted our scholars going to and from the library. We would like to invite all parents on a Monday or Friday afternoon to join our scholars on a library visit. Please contact our primary admin team, and organise a time to bring in the required DBS documentation in order for you to come along. I want to take the opportunity to thank all our kind and reliable parents for their amazing support helping us to visit the library every week—your support is greatly appreciated.

Reception scholars on a 'Journey'

This term Reception scholars have been learning about transport. They collected data on how they travel to school and created a graph to see which way is the most popular. So many scholars walk to school—what a great way to exercise and keep fit and help us to keep some terrible traffic away from school.

Reception scholars have been reading the story about the 'Naughty Bus' and one morning they discovered a BIG MESS in all their classrooms! They wondered who had done such a thing and wrote to the police, asking them to investigate this serious matter! A few days later a police officer arrived and studied all the evidence they had collected. PC Harry agreed that it must have been the notorious Naughty Bus and arrested him on the spot!

Reception scholars have been very busy! They completed a traffic survey, learnt about the 'Green Cross Code', helped Ms Reynecke to fill up her car's wiper washers with soapy-water and next week they will be visiting 'Enfield Bus Station'! They are hoping the buses there are not as naughty as the 'Naughty Bus' they had read about!
