## We're Going Back To School

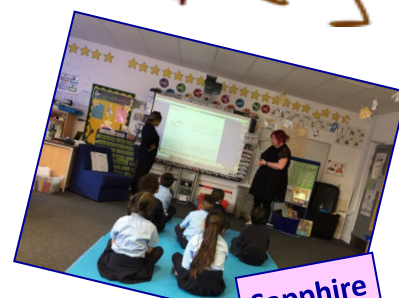

It was so incredible to have some of our fantastic scholars in Year 1 and Year 6 back with us since Monday! As educators it definitely contributed to the many smiles on faces within AJK, as teachers could teach and scholars could learn. Year 1 scholars were very excited to see their teachers and Year 6 scholars can definitely show our fellow scholars and countrymen how to socially distance.

Welcome back to AJK everyone—it's lovely to have you back.
