**Rainy day preparation:**

Dear parents and carers,

We had a very stormy, windy and rainy few days and want all parents and carers to plan ahead for England's ever changing weather as much as possible. Just like you would provide some sunscreen for your child during the few sunny days we do have we would like you to also prepare for these tumultuous rainy days.

For safeguarding reasons we cannot allow pupils in Year 2-6 to be dismissed anywhere else except from the playground during home time even on days when it rains. If you do not want your child to get too wet during home time dismissal we want to ask that you prepare for such weather beforehand.

Here are some suggestions to prepare for rainy days:

- Buy a waterproof coat
- Put a waterproof poncho in your child's school bag
- Let them bring an umbrella to school during rainy days
- Bring one of these items with you when you collect your child and they can put this on when you collect them

The scholars below have been selected for putting in lots of effort learning their times tables at home. This is already having a big impact in the classroom!

This week, our Rockstars of the Week are:

- Franklin (Y3) - Miley
- Germain (Y3) - Keysianne
- Kipling (Y3) - Stephan
- Fibonacci (Y4) - Sahil
