Parent Survey

Dear Parents and Carers,

We have really enjoyed having all of the scholars back in school for the last two weeks. We know that the experience of lockdown and impact of COVID on family life and your child's education has been varied across households, and we wanted to provide you with the opportunity to reflect on this time. We would also like to hear from our families (parents and pupils) to understand how we can support you better now that we are back at school. To help us with this, we're working together with the Edurio survey platform.

Please complete the survey by clicking on the links below in blue:

Parent Survey - <https://edurio.com/teacher/poll/as97h3>

Pupil Survey - <https://edurio.com/teacher/poll/TXoLda> (please support your younger children to do this – all voices must be heard!)

These surveys are completely anonymous and confidential, though the responses will be aggregated for the purpose of analysis. The survey will be available until **Sunday, 21st March**.

Your opinion and honesty are much appreciated. If you have any questions or concerns please be in touch.

We look forward to your feedback!

Ms Baird

Parent Meetings—Please Read Carefully!

These meetings will be arranged soon and you will receive an invite through the email account we have for you on our system. Make sure that you check your email account and junk mail for an email from AJK. On the dates mentioned above scholars will need to be collected at their usual collection gates between **13:00-13:15** on both these days in order for parents and teachers to meet virtually. **The Nursery will however remain open for both the morning and afternoon sessions on the 26th April as well as the 29th April, and will have their normal collection times.**
