

Ark John Keats Academy

Friday 12th June 2020

Dear parents,

I wanted to update you with where we are at in terms of our assessments for this year. We realise that pupils are working hard at home and are looking forward to receiving feedback from their teachers on their progress this year.

AP2

School closure coincided with the end of AP2. As a school we prioritised the marking of our exam classes in Year 10 and 12. Year 2 pupils have received feedback on these assessments and AP2 reports were prepared for Year 10 pupils. Many pupils in Years 7-9 have been asking about feedback from their assessments at AP2. As a school we have made the decision that we will not feedback to pupils on this. With all the scripts in school and the majority of our staff working from home like our pupils it is logistically impossible. Staff will focus on making sure you child gets high quality feedback on the remote assessments they will complete over the week of 22nd June.

Remote assessments

As you know your child will sit a number of online assessments over the course of the week beginning the 22nd June. These are designed to help teachers understand how much their class have learnt and give every pupil the opportunity for feedback on their week. As we are not sharing colours, bands, moving pupil bands or classes it is important that we reflect this isn't a normal assessment point cycle. Therefore, we will call these assessments our End of Year Summaries for all year groups. They will be called practice assessments in Year 12 as that reflects what we are doing in sixth form.

Completing End of Year Summaries

We have published the timetable for each year group below and we will publish this again on our school website on Friday 19th June with links to each assessment your child will need to complete included. They will simply need to click on their class name for each subject to be taken to the correct assessment. Every assessment in Years 7, 8 and 9 will last 30 minutes. Year 10 assessments will last 45 minutes. Pupils will need to complete these assessments on the day they are set (we have suggested an order but they will be open from 9am in the morning to 4pm in the evening as you may have more than one child needing to share a device). Tutors will call to follow up missed assessments. In the event your child is unable to complete the assessment on this day they will need to complete this missed assessment on Friday 26th June for Years 7-9 or Monday 29th June for Year 10.

End of Year Summary feedback

Pupils will get feedback as a whole class glow and grow. This will be shared through the school website and will have to complete it before the end of term - Wednesday 15th July. This will involve a brief 10 minute task online which will reteach pupils a common error from their assessment and test that they have mastered it.

Predicted grades (Year 9 and 10)

We are not changing your current band regardless of your performance on these assessments. You should be focused on doing as well as you can to build your knowledge for next year.

If you have any questions about this process whatsoever please email me on s.mullarkey@arkjohnkeatsacademy.org.

Kind regards,

Sean Mullarkey
Vice Principal
