## Coronavirus catch-up funding

### Primary

One to one interventions in classroom	£6,000
Employment of an additional teaching assistant specialising in intervention	£15,000

### Secondary

Employment of additional in-school tutors in Maths and English	£15,000
Employment of additional English teacher	£30,000
Employment of additional Maths teacher	£32,000

Allowance to be reserved and spent later in the year where needed responsively as the needs of our pupils dictate	£23,000.00
<b>Total:</b>	<b>£121,000.00</b>

We have identified the pupils who are most behind from the first lockdown from a combination of teacher identification and our baseline testing. We will use the NGRT and end of year examinations to check this intervention has had impact.
