EDUCATIONAL PSYCHOLOGY SERVICE

Summer Term 2020

Family Telephone Support Line

To support our families during the COVID-19 pandemic at a time when schools are closed, Enfield’s Educational Psychology Service is providing a telephone consultation service for parents and carers.

The service is available for families who live in Enfield and/or whose children attend Enfield educational settings and is available 5 days a week from 10am to 9pm.

You might want advice or help with:

• Looking after your own and/or your child’s emotional wellbeing and mental health.
• Talking with your children about COVID-19 and their worries related to this.
• How to support your child with their learning at home.
• Managing your child’s behaviour at home.
• Concerns about your child’s general learning, development or wellbeing.
• Accessing information and resources.
• Signposting to other services.
