18<sup>th</sup> November 2021

## Music – Instrumental Lessons

Dear Parent/Carer,

We are very lucky at Ark John Keats Academy to have many specialist music teachers in lots of different instruments that visit our school each week to work with our pupils on a one to one or small group basis.

These lessons are beneficial to your child's music education, and they provide an essential part of our music curriculum. They are especially recommended for pupils that think they may want to continue with music beyond KS3, and for those that enjoy music or may want to try it out. We are lucky enough to have a new Trumpet and Music Technology teacher who started with us in September, so we have an even wider range of instruments offered to you this year.

Learning a musical instrument is also proven to have many other benefits such as a positive impact on concentration, self-discipline, perseverance, time management, organisational skills, self-expression and confidence as well as many others.

If your child is unsure about whether they will like a musical instrument or not, we have instruments that are available for them to hire. This can be a great way of trying out something new!

We are now using Microsoft Forms to sign up for Instrumental Lessons. Please use the appropriate form below and complete by the deadline of **26<sup>th</sup> November at 16:30**. If you are already taking instrumental lessons, then you do not need to fill in the form.

Once it has been returned, the school will then be in contact regarding payment and beginning the lessons. Lessons will begin in January 2022. Pupils receive 10 lessons per term.

If you have any questions, please do contact me on [m.waldmeyer@arkjohnkeatsacademy.org](mailto:m.waldmeyer@arkjohnkeatsacademy.org)

Best wishes,  
Mrs Waldmeyer  
Head of Music
