

Year 5

Year 5 have been super busy this week! We started off by visiting the Edmonton Islamic Centre where we were given a tour of the Mosque, wrote our names in Arabic and were shown a demonstration of how Muslims pray. We had a great time and the volunteers at the Mosque commented on our politeness.

In English, we have been reading the novel 'Holes' set in Camp Green Lake- which it is anything but! From this, we created our own FUN camps and wrote persuasive leaflets.

In maths, we have been focusing on decimals. Look at some of our amazing work!

SCHOOL SAFETY REMINDER!
KEEP OUR CHILDREN SAFE
SHOW YOU CARE, PARK ELSEWHERE!

A message from Mr Ola-Said

Dear parents and carers,

I am writing to inform you of the many concerns which have been raised by residents, other parents and staff about parking outside the school gates during drop off and pick up.

Unfortunately, our primary entrance lies next to a cul-de-sac road. This creates real problems when cars park illegally or try to turn around at the end of the road.

The Council has painted zig zag and double yellow lines in specific areas outside the school. There should be no stopping or parking in any of these areas. Please show the children good examples by obeying all the rules.

I appreciate that it can be very difficult to park near the school, but parking in this manner is putting your children at risk.

HOMWORK

We have seen some amazing effort with homework over the last week. Pupils are really working their socks off, which is fantastic!

PLEASE REMEMBER!!

Scholars are expected to play at least 5 minutes on TT Rockstars (KS2) or Numbots (KS1) every day from Monday-Friday.

To do this, they need to play at least 5 games a day.

When teachers check to see if homework is completed, they can only see the time spent playing games - not time on the app in general.

Each game lasts at least 1 minute, so playing 5 games will ensure that you do the required amount of work each day!

If you have any questions about this, please speak to your child's teacher on Class Dojo.

The winners are:

Darwin Class and Seuss Class

RE M I N D E R

- Y3 trip to the Science Museum Thursday 26th May
- 100% Attendance Bouncy Castle Party Thursday 26th May
- Year 5 'My Money' workshop (in school) Thursday 26th May

- **Last day of term is Friday 27th May. Children return on Monday 6th June.**

Hot Choc with the Head

ATTENDANCE EVERY DAY COUNTS!

Park Parade Attendance Winners:

Congratulations to Harrison Class who won the attendance award this week. They will be going to the park on Friday to celebrate!

Above is a picture of Hubble Class who were the attendance winners of the week last week!

Our value of the week next week is: **EFFORT**

Our habit of the week next week is:
I will start straight away.

Time is precious! No matter what you are doing - whether it be tidying your table, talking to your partner, or completing your work - to get the most out of your day, no time should be wasted!

That is why an AJK super scholar ignores distractions and dives straight into a task as soon as the teacher says: 'Go!'
