## Parent survey

Dear Families,

Thank you again for your support in ensuring your children accessed remote learning last Friday due to the heating issues our school was experiencing. It is really wonderful to see them back on site this morning and learning so calmly and purposefully in classrooms.

I am really grateful to work with such a supportive parent community – indeed, I have never in my education career had the opportunity to work with a community as supportive of a school and of pupils' education as this community is.

As part of our ongoing work to improve what we do, as well as recognise what is good about our school, your feedback is crucial.

Please see below a link and a QR code to a parent survey. I would be extremely grateful if you could complete this survey by **Friday 11<sup>th</sup> February**. Your feedback is appreciated.
