11<sup>th</sup> November 2021

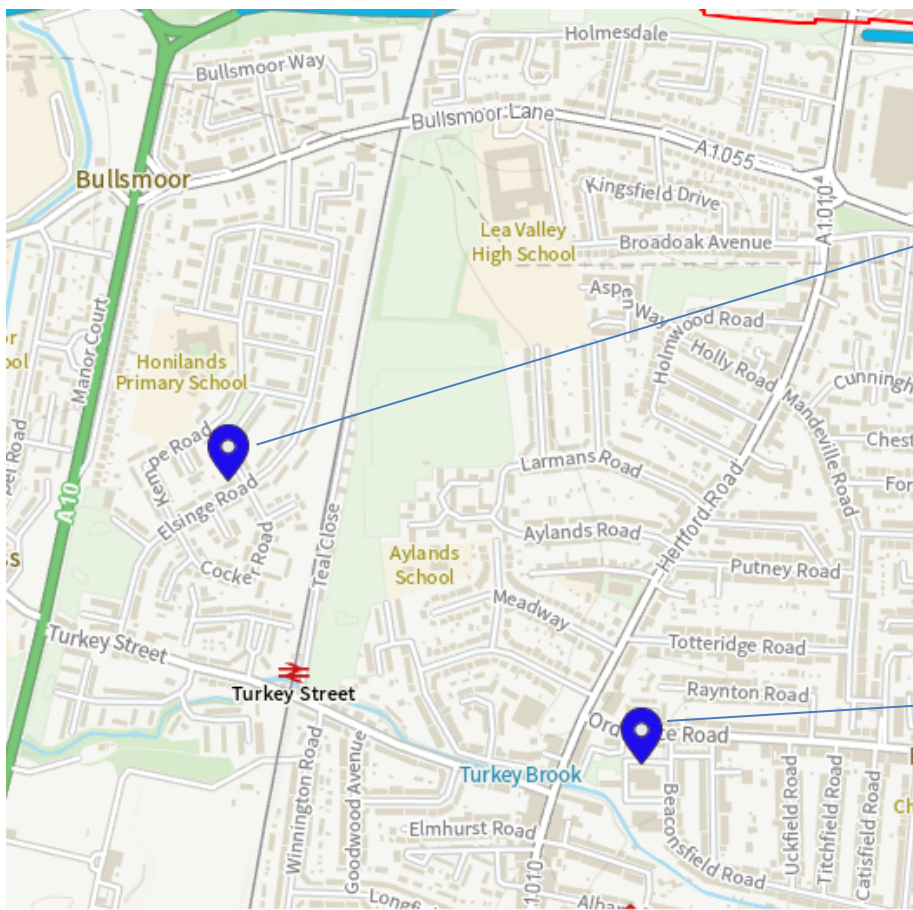

Dear parent/carer,

## Reading Books

This is just a reminder that all pupils must have a reading book with them at all times as part of their daily equipment. Research has shown that reading is a powerful tool for increasing pupils' educational performance and personal development. We encourage our pupils to read as much as possible in school and outside of school to increase their life choices and lead to success.

Pupils will read texts in their English lessons but they should also be reading other books outside of this. Please ensure that your child has an appropriate reading book with them for school and that they replace this as soon as they finish reading it.

Please find below the location of two local libraries which your children can use to browse and borrow books.
