

Ark John Keats Academy

21st January 2022

Dear families,

I am writing to update you on the situation with our heating. A temporary solution has been put in place. We feel confident at this point that we will be able to open the school on Monday. We will confirm this text by 6pm on Sunday.

Thank you for your understanding at this challenging time. It is our number one priority to open our school as soon as possible so we can go back to providing an excellent education for your children.

Kindest regards,

Ms J. Facer
(Principal)
