

Ark John Keats Academy

Summer Camp

For two weeks during the summer holidays, 144 pupils from Year 5 to Year 10 came to AJK's first summer camp.

Pupils spent two weeks participating in activities and trips, as well as additional catch-up sessions in English and Maths.

Our students enjoyed learning how to make pizza, playing sports together and writing poetry. On Wednesday 11th and Friday 13th August, we went to The Globe theatre in central London. We spent the day exploring the area around Southbank and St Paul's Cathedral before taking part in a drama workshop.

On Thursday 19th August, we enjoyed a day together at the seaside looking for shells, playing cricket and having fun.

On the final Friday, we had a family celebration day with our parents, carers, brothers and sisters. We shared the work we had completed, performed our poems and celebrated our successes with awards and prizes.

A great time was had by all.

The summer camp formed part of the national Covid-19 recovery scheme and was funded by the Department for Education.

Details of the funding claim are summarised below.

Staffing, including cleaning	£50,754.82
Catering	£4,987.32
Trips	£3,926.50
Activities and resources in school	£347.93
TOTAL CLAIM	£60,016.67
