

20th April 2022

Dear Y6 Parents and Carers,

As you already know SATs week is fast approaching. Our Year 6 scholars will be sitting their assessments each morning from **Monday 9th May – Thursday 12th May**. The pupils have worked very hard this year and this week is an opportunity for them to show what they have learnt. As a reward for all their efforts we would like to invite all Year 6 children into school for a **free and delicious breakfast at 8am in the Primary Hall** before sitting their tests. This will take place on the Monday, Tuesday, Wednesday and Thursday mornings. We feel this will help get their 'brains into gear' and give them a chance to settle in with some social time with their peers before heading up to classrooms to prepare for the assessments. The children will be able to come and enjoy a breakfast of cereals, crumpets/toast/muffins and juice with their friends and then go into class on time with a positive frame of mind.

We would like all Year 6 children to take advantage of this offer. Please complete the online form so we know to expect your child.

SATs week is an important week for everyone and the children have been working really hard towards it. Here are a few reminders to further help support your child during SATs week:

- Please ensure your child is in school every day of SATs week- if they miss any of the tests, then this will affect their overall levels.
- Your child should be in school at 8am on each of the mornings as it is very unsettling for them if they are late.
- Make the time leading up to SATs week relaxing, with lots of early nights!
- All the hard work has now been done so please reassure your child that the test week is nothing to worry about and that it is the time for them to show off everything they have learnt.

Below is the SATs timetable for your information.

Date	Test	Duration
Monday 9 th May	Punctuation and grammar test Spelling test	45 minutes 20 minutes
Tuesday 10 th May	Reading test	60 minutes
Wednesday 11 th May	Maths test- paper 1 (arithmetic) Maths test- paper 2 (reasoning)	30 minutes 40 minutes
Thursday 12 th May	Maths paper 3 (reasoning)	40 minutes

Thank you for your continued support- please do not hesitate to contact us with any remaining questions/concerns.

Yours sincerely,

Mr O. Ola-Said
